Take me back to my boat on the river I need to go down I need to come down
Em   D   Em
Take me back to my boat on the river and I won't cry out anymore

Time stands still as I gaze in her water she eases me down touching me gently
            Em   D   Em
with the waters that flow past my boat on the river so I don't cry out anymore

        D   H7   Em   A
Oh the river is wide the river it touches my life like the waves on the sand
     Am   Em   F#   H7
And all roads lead to tranquility base where the frown on my face disappears

Em   D   H7   Em
Take me down to my boat on the river and I won't cry out anymore

Oh the river is deep the river it touches my life like the waves on the sand
        Am   Em   F#   H7
And all roads lead to tranquility base where the frown on my face disappears

Take me down to my boat on the river I need to go down, won't you let me go down
Em   D   Em
Take me back to my boat on the river and I won't cry out anymore
