

## Angels (R. Williams)

### Vers 1

**C** **F** **Am G**  
I sit and wait Does an angel contemplate my fate  
**C**  
And do they know The places where we go  
**F Am G Dm**  
When we're grey and old Cos I've been told  
**F Am F**  
That salvation lets their wings unfold  
**Bb F**  
So when I'm lying in my bed Thoughts running through my head  
**C Bb F C**  
And I feel that love is dead I'm loving angels instead

### Refrain

**G Am**  
And through it all she offers me protection  
**F C**  
A lot of love and affection Whether I'm right or wrong  
**G Am**  
And down the waterfall Wherever it may take me  
**F C Dm Bb**  
I know that life won't break me When I come to call she won't forsake me  
**F C**  
I'm loving angels instead

### Vers 2

**C** **F Am G**  
When I'm feeling weak And my pain walks down a one way street  
**C F Am G**  
I look above And I know I'll always be blessed with love  
**Bb F**  
And as the feeling grows She breathes flesh to my bones  
**C Bb F C**  
And when love is dead I'm loving angels instead

### Refrain
