Before you accuse me, take a look at yourself

Before you accuse me, take a look at yourself

You say I've been spending my money on other women
A7 E

You've been taking money from someone else

I called your mama 'bout three or four nights ago I called your mama 'bout three or four nights ago Mama said "Son"
"Don't call my daughter no more"

Before you accuse me, take a look at yourself Before you accuse me, take a look at yourself You say I've been spending my money on other women You've been taking money from someone else

Come back home baby, try my love one more time Come on back home baby, try my love one more time If I don't go on and quit you I'm gonna lose my mind

Before you accuse me, take a look at yourself Before you accuse me, take a look at yourself You say I've been spending my money on other women You've been taking money from someone else
